About Healthy Start

Healthy Start of Southwest Florida's mission is to ensure that every baby has a Healthy Start in life. Our goals are to decrease infant deaths and increase healthy births in Southwest Florida. Founded in 1992, we are a nonprofit 501(c) (3) organization, serving over 14,000 pregnant women and babies each year in Collier, Glades, Hendry, and Lee counties. **95 cents of every dollar received goes to local services.**

Services include: pregnancy education and support, baby care, safe sleep, parenting, childbirth education, nutrition education, breastfeeding support, prenatal medical care for the uninsured, referrals to community resources, and screenings for health, development and behavior.

Healthy Start is a great investment. The cost of a premature baby is 10 times more than a normal birth. Also, a healthy start lasts a lifetime with research showing children born healthy are more likely to succeed in school and less likely to be end up in the juvenile justice system.
