

# *Want to Host a Diaper Drive*

## **A cause we can all get behind!**

**Step 1:** Contact our office at 239-425-6920 or email [diapers@healthystart.org](mailto:diapers@healthystart.org)

**Step 2:** Collaborate with our office on a flyer to promote your event.

**Step 3:** Set up a time for us to drop off collection bins to your location.

**Step 4:** Host your diaper drive. We typically recommend keeping your bin for a minimum of two weeks to ensure you give everyone the opportunity to drop off supplies.

**Step 5:** Schedule with our office to pick up your donations and bins.

**Every penny and diaper makes a BIG difference.**
